Especificaciones sujetas a cambio sin previo aviso Código: 6011000019 Código: 6011000051 Offering impressive coverage thanks to its 48 lenses, the Mini Dekker is an inventive LED fixture that produces RGBW-colored effects that shoot out in every direction to create a moving galaxy of ultra-bright beams. With a powerful light source consisting of two 10W quad-color LEDs, the beams generated by the Mini Dekker are powerful and varied in color, creating a lightshow that leaves audiences awestruck and venues radiating pure lighting excitement Users have five operational modes to choose from: Sound Active, Static Color, DMX-Controlled, Color Change and Color Fade (both with and without strobe). With an 8-channel DMX mode, users can also get more creative with the Mini Dekker, programming its strobe effects and multi-color beams to add increased energy to their displays. Weighing just 4 lbs. (1.7kg), the Mini Dekker, much like the other Startec Series fixtures, is ideal for taking on the road as part of a more extensive setup, making it particularly well-suited to mobile DJs and touring bands as well as small venues. • DMX-512 LED effect that produces RGBW (red, green, blue & white) colored beams from 48 lenses• Features 2 bright 10-watt RGBW Quad LED's • Light in weight and portable for entertainers on the go!• Strobe effect• 7 Operating Modes: Color Change, Color Fade, Color Change w/ Strobe, Color Fade w/ Strobe, Sound Active, Static Color, & DMX Control• DMX-512 protocol• With Wired Digital Communication Network• 4-button DMX LED menu• 8 DMX Channels• Stand Alone or Primary/Secondary Configuration• Adjustable sound active sensitivity dial• Includes hanging bracket• Run all night - no duty cycle• Power consumption: 25W maximum• Integrated 3-pin XLR In/Out connections to daisy-chain up to 16x Mini Dekker fixtures• Long life LEDs (50,000 hr. rating)• Multi-voltage operation: AC 100V-240V 50/60Hz• Dimensions per unit (LxWxH): 7.75" x 7.5" x 9.75" / 197x184x245mm• Weight (per unit): 3.74 lbs. / 1.7kg.
